ALEXANDRIA, VA., THURSDAY EVENING, MARCH 23, 1905.

PRICE 2 CENTS.

BAD STOMACH MAKES BAD BLOOD.

You can't make sweet butter in a foul churn. Every farmer's wife knows this. Your stomach churns and digests the food you eat, and if foul, torpid or out of order, your whole system suffers from blood poisoning. You will have foul breath, coated tongue, bad taste, poor appetite and a whole train of disagreeable symptoms. Dr. Pierce's Golden Medical Discovery, which is not a beverage composed of whiskey or alcohol, being entirely free from intoxicants, is a great regulator and invigorator of the stomach, liver and bowels.

"About a year ago I was ill with blood poisoning," writes Miss Eveline Louis, of 50 Walter Street, Buffalo, N. Y. "I had what seemed to be a small cold sore on my lip. It became very angry in appearance and began to spread until it nearly covered my face. I was a frightful sight and could not go out side the house because of my appearance. I used a blood medicine which did not give me any relief. Then I began to take your Golden Medical Discovery. I was greatly benefited with the first bottle and after taking the second bottle was completely cured. The erysipelas eruption disappeared and my blood was cleansed. My complexion is clear and fresh and I have felt better this year than I did for some time before. Dr. Pierce's Golden Medical Discovery is certainly a most remarkable medicine."

Don't accept a substitute for a medicine which performs such cures and which has a uniformly successful record of nearly forty years to its credit. It's an insult to your intelligence for a dealer to try to over-persuade you to palm off upon you in its stead some inferior article with no record to back it up. You know what you want; it is his business to meet that want.

\$50,000 GIVEN AWAY. In copies of the Medical Adviser, a book that sold to the extent of 500,000 copies at a price of \$1.50 per copy. Last year we gave away \$50,000 worth of these invaluable books. This year we shall give away \$50,000 worth of them. Will you share in this benefit? If so, send only 21 one-cent stamps to cover cost of mailing only for book in stiff paper covers, or 31 stamps for cloth-bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

Constipation although a little ill, he gets big ones if neglected. Dr. Pierce's Pellets cures constipation.

FOR LADIES, TOO.

They Can Stop Their Hair Falling Out With Herpicide.

Ladies who have thin hair and whose hair is falling out, can prevent the hair falling out, and thicken the growth, with Newbro's "Herpicide." Besides, Herpicide is one of the most agreeable hair dressings there is. Herpicide kills the dandruff germ that eats the hair off at the root. After the germ is destroyed, the root will shoot up, and the hair grow long as ever. Even a sample will convince any lady that Newbro's Herpicide is an indispensable toilet requisite. It contains no oil or grease, it will not stain or dye. Sold by leading druggists. Send 1.25 in stamps for sample to The Herpicide Co., Detroit, Mich.

TROUBLES IN SANTO DOMINGO.

The news of the postponement by the United States Senate of action on the treaty with Santo Domingo makes the situation in that island acute, and internal uprising seems to be imminent, based on the cry that President Morales has been discredited in the United States.

President Morales states that he is prepared to put down any revolution, but that a more serious matter, in his mind, is foreign complications growing out of Belgium's demand, presented on March 21. Belgium wants the customs receipts of a port of Santo Domingo to the extent of \$25,833 a month, according to former agreement, on which no payment has been made for three years. This first demand is construed as a direct result of the failure of the treaty between the United States and Santo Domingo.

President Morales anticipates similar demands by other foreign powers, which he will be helpless to resist. He says he wants to pay all the republic's debts, but sees the ruin of the country with every port in the hands of a different foreign power and no revenue for the government. While he sees no light ahead, he has blind faith that "right will triumph."

The American gunboat Castine is at Santo Domingo with 150 men; the cruiser Chattanooga is at Samana bay, the Detroit is at Puerto Plata, and the Dixie is at Monte Christi. Rear-Admiral Sigsbee has gone to Guantanamo for a consultation with Rear-Admiral Barker.

With the seizure of Dominican ports by foreign powers, it is argued, the Monroe doctrine will be nullified as regards Santo Domingo. With the United States in possession of two ports it would not be logical, it is argued, to oppose the seizure of other ports by foreign powers. At the same time, the only hope of President Morales is that in some way the United States can secure a postponement of seizure by European powers.

President Morales has about 1,200 men under arms ready to crush the first internal uprising, but should the custom houses be seized he speedily would be without funds with which to pay his army, which would immediately desert.

The United States transport Sumner has gone to Kingston, Jamaica.

Decision on Jim Crow Law.

In an opinion delivered by Judge Boyd handed down yesterday morning the Maryland Court of Appeals holds that the act passed at the last session of the legislature, commonly known as the Jim Crow law and requiring steam railroads in the State to furnish separate compartments for white and colored passengers, is valid so far as it affects commerce wholly within the State, but invalid as to interstate passengers, and must be construed as not applying to them.

William H. H. Hart, the appellant in the case before the court, is a colored school teacher in Washington, D. C. He was arrested for refusing to go into the compartment assigned to colored passengers while he held a through ticket from New York to Washington on the cars of the Philadelphia, Baltimore and Washington Railroad Company and was fined \$5 and costs by the Circuit Court for Cecil county. From this verdict he appealed.

In the opinion the Court of Appeals upholds the right of common carriers to make reasonable regulations providing for the separation of the races and also the right of the legislature under its police powers to impose such regulations upon common carriers. However, in the matter of imposing such regulations upon carriers engaged in interstate commerce the Maryland court regards the decision of the United States Court in the case of Hall against DeCuir, 95 United States 485, as conclusive. In that case the Supreme Court held that this engaged in interstate commerce in the State of Louisiana should give all their passengers equal privileges as to the parts of the conveyances they should occupy, and a large number of other cases are cited to show that the undoubted rule of the Supreme Court is that legislation by States which in any way interferes with or burdens interstate commerce is invalid. The opinion adds that the Court of Appeals finds no difficulty in sustaining the law so far as it applies to interstate commerce, as in one of its sections it expressly exempts from the operations of the act parlor and sleeping cars and through express trains that do no local business.

Are You Engaged?

Engaged people should remember, that after marriage, many quarrels can be avoided by keeping their digestion in good condition with Electric Bitters. S. A. Brown, of Bennington, N. Y., says: "For years my wife suffered intensely from dyspepsia, complicated with a torpid liver, until she lost her strength and vigor and became a mere wreck of her former self. Then she tried Electric Bitters, which helped her at once, and finally made her entirely well. She is now strong and healthy." E. S. Leadbeater & Sons, druggists, sell and guarantee them at 50c a bottle.
